OUR PROFILE

GuangDong Sunwin glass technology Co., LTD is an outstanding manufacture with more than 300 employees in Guangdong, China. We specialized in **cosmetic glass bottle, cream jar,serum bottle, essential oil bottle,foundation bottle, perfume bottle** etc and most welcome your **OEM/ODM project** cooperation. Supported by our strong R&D and sales term you will enjoy our **fast response** for **design, quotation and 3D sample** making.

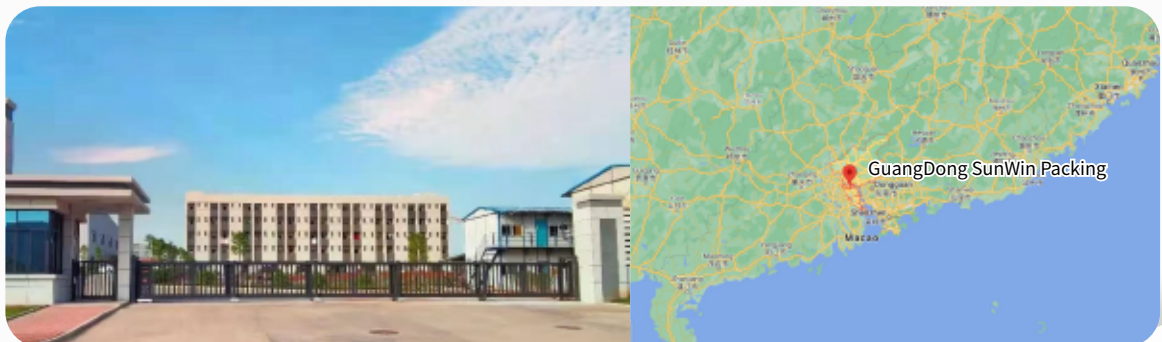

We were dedicated to the cosmetics packaging area since **2001** and have achieved great success for the past **20 years**. In 2016 our new production base in HeYuan was built with more than **30,000 square** meters. Now our production capacity have reach **200 million pieces**. Our show room are located in Baiyun district which only spend less than one hour' s drive from Guangzhou air port and 1.5 hour to our factory.

We have 2 environment-friendly **electric furnaces**, 8 automatic **glass bottle** production line and **coating** line, **frosting** line, **screen printing** machine, **hot stamping** machine and so on.We can meet all of your production requirement in our factory.

Also we have strict quality control system and **ISO9001 qualified** to ensure customer satisfy.

We understand what's your most concern and share the same target with you because "**customer' s success is our success**"

Welcome to visit us and we hope to be your reliable partner in China!

TRUST
